

## MOWBRAY MID LANC'S LEAGUE

### Barrow-in-Furness

STEVE LYDKA enjoyed the luxury of sitting out the sixth and final Mid Lancs race at Barrow in the knowledge the overall title was still in the bag, *Trevor Baxter reports.*

Lydka, in fact, is believed to be the first veteran to claim the overall prize.

And the M40s certainly enjoyed themselves over the series with Ken Moss, another absentee on the day, claiming second place overall.

Linda Quigley made sure of the women's prize by winning on the day.

Usually one of the most well attended leagues in the North-West, Mid Lancs organisers are considering reducing the calendar next season to five races.
