The best field for a few seasons saw 274 runners on the start line for the Senior Mens race and similarly large turn outs for the Senior Ladies and both the Under 13 Boys and Girls races. For the seniors could this be due to increased competition from the introduction of divisions? Certainly the format seems to suit Glaxo Hoad Hill. They would not normally expect to feature among the leaders in previous years, but now find they are leading the Ladies Division Two, Mens Division Four and second in the Veteran 40 Men Division Three.

The Veteran 40 Men Division One is interesting with 3 teams tied for first place and the remaining 4 teams tied for last place. Elsewhere one or two clubs will have to turn out full teams for the rest of the season or they can expect to be relegated.

Individually, congratulations to Sarah Willmott (Blackburn H), Richard Newton (Preston H), Guy Thompson (Border) and Tom Hart (Lancaster & Morecambe) who have all opened the season with wins in successive races in their age groups.

Inevitably there will be a bit of space left over in this results booklet. If anyone wishes to air their views on any aspect of the Mid Lancs Cross Country League then let me know. I'll start the ball rolling by commenting on the short cutting at Lancaster.

In the large field before turning back towards the stream for the second time the right turn at the corner many of the runners (Senior Mens race) took a big lump out of the corner and went nowhere near the flags. Is this not gaining an unfair advantage on those runners ahead who did take the correct route? Being the sheep that we are all following runners will always take the same short cut. Should runners be penalized in some way? What do the race officials think?
