FYLDE COAST
RESULTS RUMOUR

As far as rumours go this is a good one and should make any club official, committee member or helper laugh until New Year.

Rumours of complaints from two Fylde Coast clubs have reached me. Apparently the results are taking far too long to be distributed to clubs and this is unacceptable because I am being paid £300 to do the job!

Except for some incidental expenses, I have never asked for nor received a penny from anyone to do this job. I have done numerous trips to the printers and to liaise with Bob Welfare and I have never asked for any petrol expenses.

Like all officials the job is done to put something back into the sport. But it has to fit in with my family, work and my own training. I hope that puts the record straight, but if the person who started the rumour thinks he can do a better job then my telephone number is on the front page.

Merry Xmas

Steve Taylor
